

OUR POLICY OF CARE AND PAYMENT

“Our goal is to provide our patients with the very best care possible on a gentle, personal basis.”

We accept cash, check, and major credit cards as payment. We also have a payment plan option with a lending agency, CareCredit, which allows you to start treatment today and spread payments over time. Applying for CareCredit takes only a few minutes, and there is no fee to apply. If you wish you may apply online in advance of your appointment at www.CareCredit.com to get approval, credit limit and account number. Then, just bring this information to your appointment.

Please indicate below the form(s) of payment you choose to settle your account:

- Cash or Check
- Major Credit Card (Visa or Mastercard)
- **CareCredit (Subject to credit approval.)** If credit application is declined, another form of payment listed above is required.
- In the event it is necessary to turn your account over to a collection agency, due to delinquency or non-payment of an account in full, agency collection fees for **all** services is the responsibility of the person signing this agreement.
